(Report attached separately)

Discussion/Action

It is recommended that the Board approve the attached Program Evaluation of the Guaranteed Ride Home (GRH) Program. At its May 22, 2008 meeting, the CMA Board recommended

that an independent evaluation of the Guaranteed Ride Home Program be completed and that alternatives be developed and evaluated for participating employers to contribute towards funding the program. The program evaluation assesses the GRH program and operating principles and compares the principles, budget, funding sources, and program elements to other county programs, and reviews alternative funding mechanisms to support the program. The following recommendations are made: 1) continue to rely exclusively on TFCA grants to fund the GRH Program for now, 2) merge the GRH program with other GRH programs in the Bay Area, 3) expand the GRH program into a comprehensive Transportation Demand Management (TDM) program (pending new funding), and 4) require employers to contribute toward the cost of the GRH program (after certain conditions are in place).
